The Studio of
Dale Knaak + Frank Juarez

2015

ABOUT US

The Knaak + Juarez Studio is a 1900 sq. ft. warehouse space and the newest addition to the art scene in Sheboygan. Dale Knaak and Frank Juarez specialize in representational, experimental, and abstract painting, respectively.

Dale Knaak's work explores his fascination with the conventional spaces of the everyday. The ordinary that goes unnoticed. Stripped of embellishments, elegance or charm, the subjects of his paintings stand as a testament of time. He sees them as a point of contemplation, a contemporary statement on past and present, kept. He finds it interesting to take a visual experience, process and reinterpret it as a personal experience.

Frank Juarez is a Wisconsin artist, photographer, gallery owner, art educator, advocate and community leader living and teaching in Sheboygan, Wisconsin. In 2005, he committed his life to expose, educate and engage others on the importance of experiencing and supporting the Visual Arts. Organizing local and regional art exhibitions, community art events, facilitating presentations, and supporting artists through professional development workshops, use of social media and networking has placed him in the forefront of advancing and promoting local artists and attracting regional and national artists to interact, collaborate, network and exhibit in the Sheboygan community.
